## HOPE THROUGH CHRIST

At Calvary Church, we are called to help people grow in their relationship with Jesus through the teaching of God's Word. In 2023, God continued to bless us by bringing more people to Calvary than ever before! Our Saturday evening Service has continued to grow, which in turn has provided more room for new guests and families on Sunday morning.

Since Calvary was founded in 1997, we've watched God use our church to increase our impact locally, statewide, and around the world through our Missions Partners and online resources. It is because of your faithfulness that more people are hearing the Word, and lives are being changed for all of eternity through the work of the Spirit. We are believing God for great things this year, and we are glad that you are a part of Calvary Church!

# TRANSFORMING LIVES WITH GOD'S WORD

Each passing year, we utilize our website and social accounts more than ever to reach and connect with others in our community, and around the world. We've been blessed to watch our online and social audiences continue to grow exponentially in 2023, and not only are people watching Calvary's messages live and on-demand, but our social media platforms have grown to host an online church community that's thriving.

## UNREACHED BEING REACHED

Because of your support, Calvary reached people with the good news of Jesus in a significant way in 2023. Financially, we gave over one million dollars to Missions, Outreach & Benevolence, allowing people to experience God's love and grace locally and in over 27 different countries around the World. Our partners participated in planting churches, discipleship initiatives and humanitarian relief for people in the some of the hardest to reach areas in Africa, Asia, the Middle East and beyond.

## TAKING NEXT STEPS OF FAITH

No matter where you are in your relationship with Jesus, there is always a Next Step to take. Without our Ministry Partners using their gifts and willingness to invest in the lives of our church, we couldn't do what we do on a weekly basis. It takes every one of us doing our part to make Sundays happen.

## 2023 GIVING

2023 was an incredible year of blessing for our Church. We saw God show up in ways beyond what we could imagine and through your generous giving, we were able to increase support to the work of the Gospel in our community and around the world.

Giving is one of the central themes of the Bible. In fact, Jesus taught more on giving than almost any other subject. When we give back to Him, we are saying “I trust You. I believe You provided what I currently have and I have faith You will continue to provide all that I need.”

Each year, Calvary Church undergoes an independent audit to ensure the accuracy and reliability of our finances.
